DETAILED ACTION

102 Rejections Withdrawn

The rejection of claim 11 under 35 USC 102(b), outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment narrows the claim (by excluding a possible halo substituent on R²) such that it no longer reads on the cited prior art. That being the case, the search was therefore expanded as called for under current Office Markush practice, a compound-by-compound search, to include a single additional species. That species is defined when: X=N; R¹=H; 2xR²=H; 1xR²=straight chain C₃ alkyl substituted by carboxyl and amino; R³=H; and Z=F. A Rejection follows.

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 11 is rejected under 35 U.S.C. 102(b) as being clearly anticipated by EP 609630 (CAPLUS abstract). The reference teaches applicant's compound:
RN=157563-59-2.

Allowable Subject Matter

Claim 22 remains objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
